

remind

Helping teachers connect instantly  
with students and parents

## E-mail to more instant communication

 87%

OF WORLD'S POPULATION OWN  
a mobile phone

 97%

OF AMERICAN STUDENTS USE  
text messages

 92%

OF AMERICAN YOUTH SAY  
texting is a favorite activity

# Simpler, more efficient communication impacts education

Harvard Research, Teacher-Family Communication

Harvard Research Study (2012) conducted a study with a Boston charter school in which they added text messaging to classroom communication.

# Why Remind vs. text messaging?

## SAFE

Teachers never see students' phone numbers, and students never see theirs.

## SIMPLE

Sign up in 15 seconds on any device.

## EFFICIENT

Send broadcast messages and get instant feedback.

Nice job today, everyone!

Mr. Hendrick: Bring your books to class, we will be practicing our south America geography knowledge!

Colombia Venezuela

How can I get the most  
out of Remind to connect with  
students and parents?

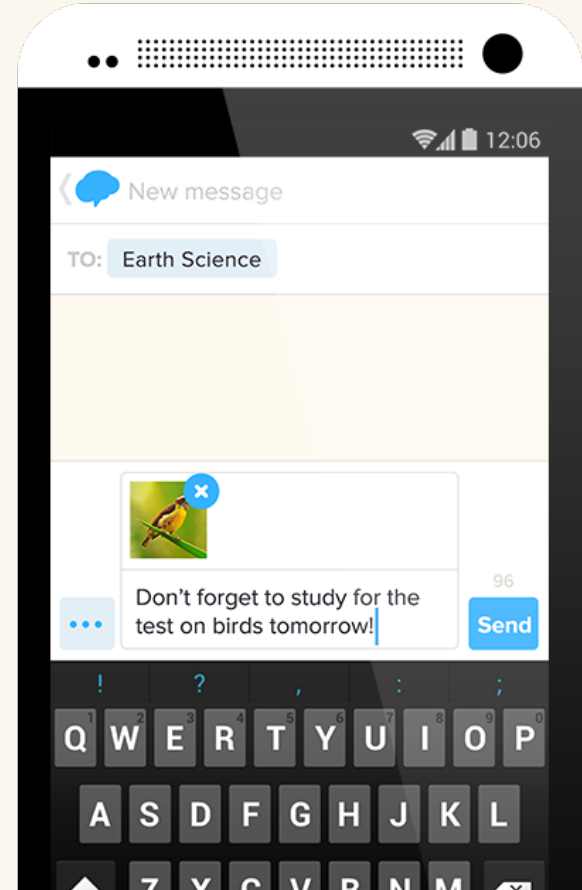

## Our Favorite Message

“Hey I just met you, and this is crazy, but you have an exam tomorrow, so study maybe?”

Question:  
What would you like to  
remind your class about?

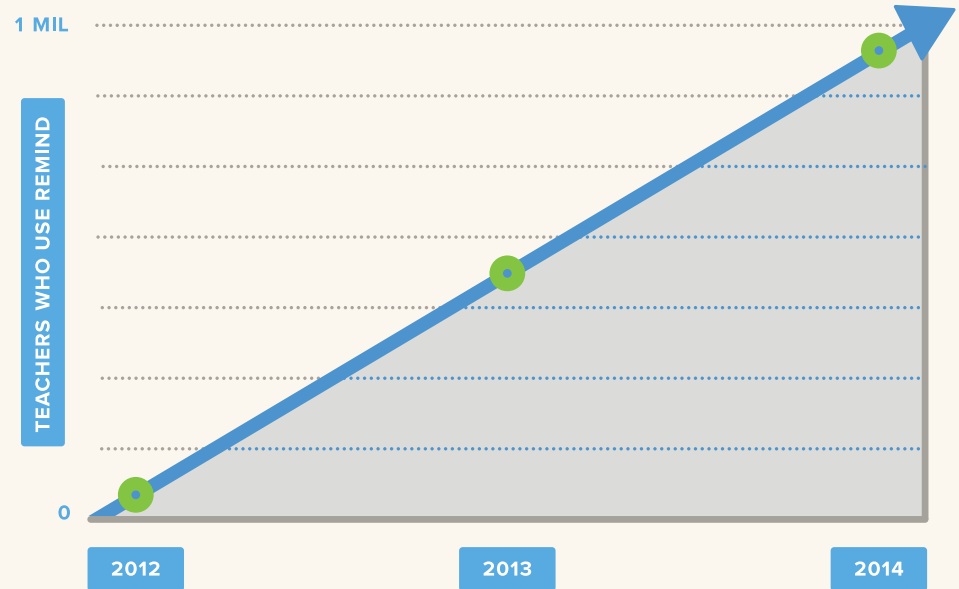

What is Remind?

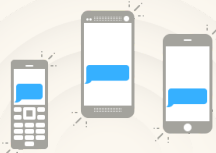

# Remind is a safe and simple way to connect with students and keep in touch with parents.

With Remind, classroom communications is free, simple, and safe:

- 01 All phone numbers are kept private.
- 02 Send or schedule messages. Get instant feedback with Stamps.
- 03 Attach photos, files, or voice clips. Send directly to students' and parents' phones.

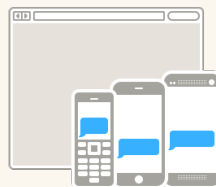

# Key Features

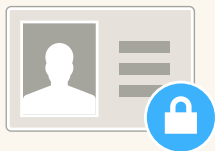

## CONNECT INSTANTLY

- Sign up in 15 seconds on the web or mobile app.
- Students and parents can join your class by text, email or app.

## CONNECT FREELY

- Teachers, students, and parents can use for free.
- No commitments or classroom changes required.

## CONNECT SAFELY

- Phone numbers are always kept private.
- No 1:1 messaging
- Download your message history for audit requests.

## CONNECT EFFICIENTLY

- Send or schedule messages ahead of time.
- Attach photos, files, or voice clips.
- Get instant feedbacks with Stamps.

# Teachers everywhere are telling us that Remind is making an impact

## Remind is for everyone

90% of users are public  
school teachers

## Remind engages students

More than 50% of K-12 teachers  
said that Remind homework turn-in  
rates increased

## Remind involves parents

Over 60% of K-12 teachers  
said that Remind increased  
parent involvement

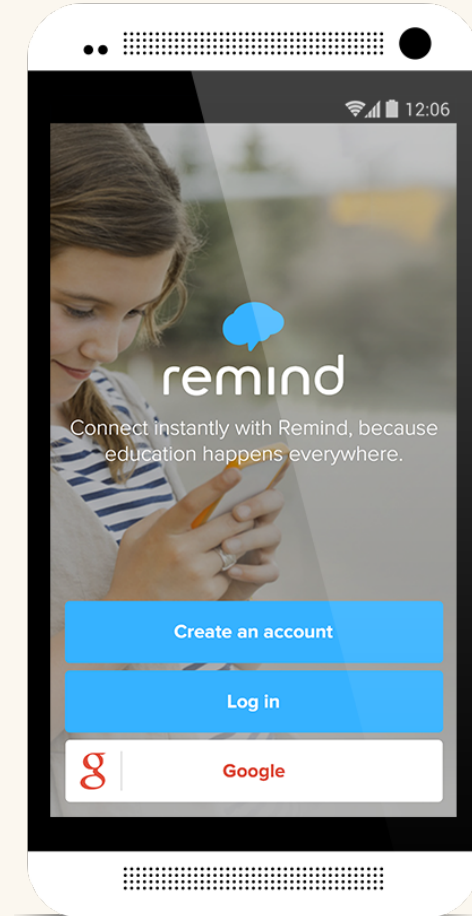

The background is a solid blue color with a repeating pattern of white line-art icons. The icons include a paper airplane, a pencil, a speech bubble, and a round-bottom flask with a stopper.

Get started with Remind  
in 15 seconds!

## Step 01

# Download App or Visit Site

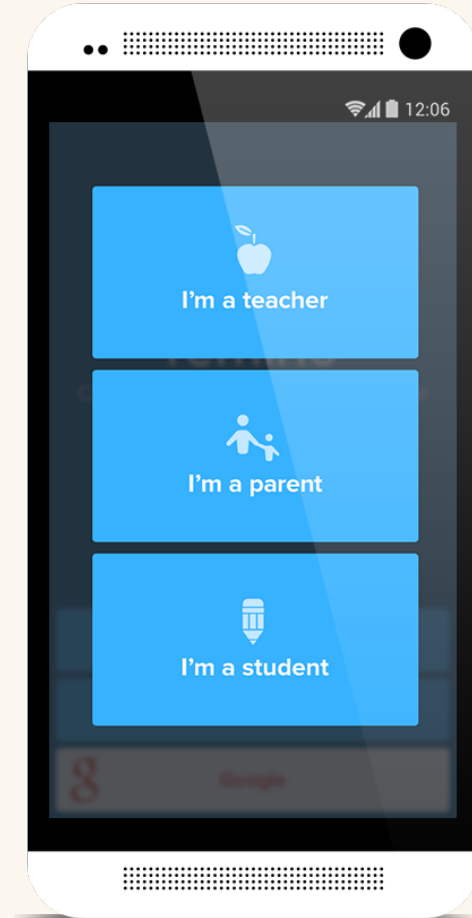

- Sign up via [Remind.com](https://Remind.com) OR
- Download our mobile app on iOS or Android

## Step 02

# Register

- Select your role
- Enter your full name and e-mail address
- Create password

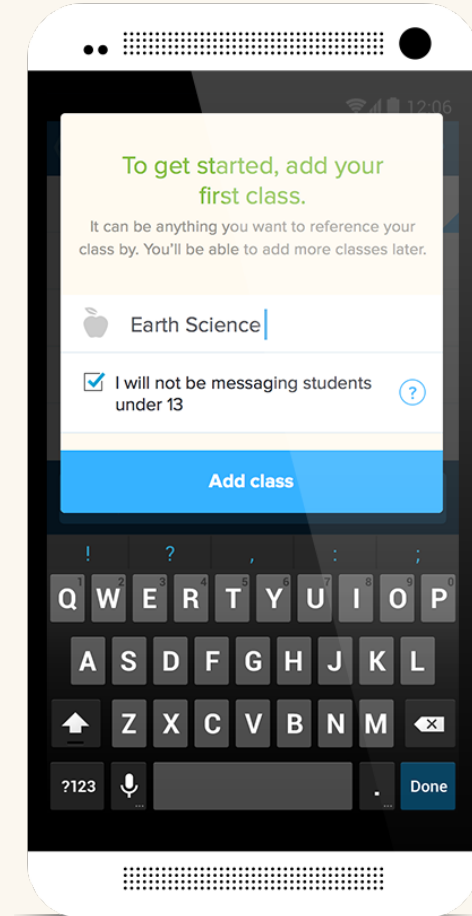

## Step 03

# Once you're registered, add a Class

- Name your class
- Mark whether there are students under the age of 13

### Things to know:

- Create up to 10 class groups
- Name your class something recognizable
- Organize your classes by subject level or audience group (students, parents, or both)

## Step 04

# Invite students and parents to join the class

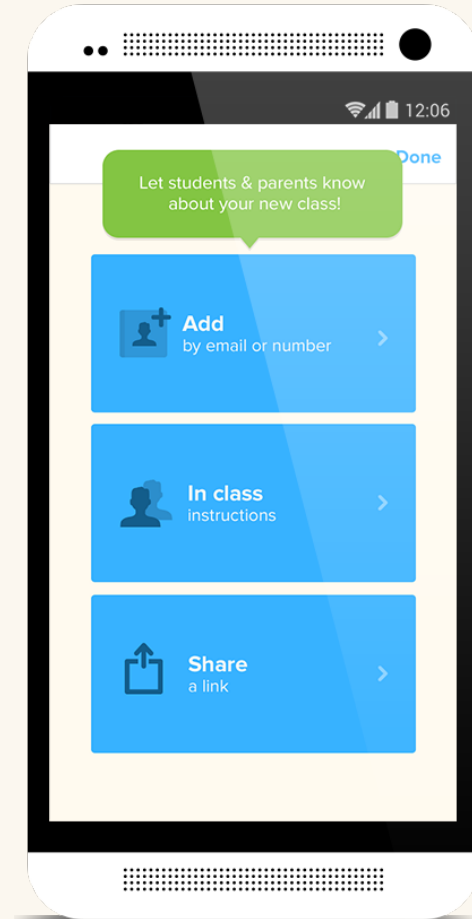

Students and parents can join your class by your unique class **@code**. Send the code in these three ways:

- 01 Invite students and parents by e-mail or mobile number
- 02 Project or send instructions to download the app or text class **@code** to your Remind phone number
- 03 Share your unique link: [remind.com/join/code](https://remind.com/join/code) to have your class join by mobile number

### Things to know:

Invite students and parents in these ways

**BACK TO SCHOOL NIGHT**    **PRINT PDF AND SEND HOME**  
**FIRST DAY OF SCHOOL**    **POST ON CLASS WEBSITE**  
**SEND AN E-MAIL**    **SOCIAL MEDIA**

# Ways to get started with Remind

## LESSON PLANNING

Remind's schedule ahead option allows you to plan an entire unit, or even school year, at a time!

## HOMEWORK ASSIGNMENTS

Easily send your students and their parents the homework assignment each night through a quick Remind message.

## CLASS DOCUMENTS

Attach important class files and photos to your messages. View who has opened your attachments and get instant feedback with Stamps.

## QUESTIONS FOR CRITICAL THINKING

Extend learning beyond the classroom by sending your students preview questions for the next lesson. Student can quickly respond with Stamps.

## MOTIVATIONAL MESSAGES AND IMAGES

Encourage students to reach their goals through motivational messages and attached inspirational images. Students can star your messages with Stamps.

## FACTS AND TIPS

Send students daily facts or vocabulary words straight to their cell phones each day.

## TRIVIA

Send students trivia questions based on content they've learned in class. Get instant student feedback with Stamps.

## LAST-MINUTE SCHEDULE CHANGES

Alert your students and their parents of last-minute schedule changes in the school or class calendar.

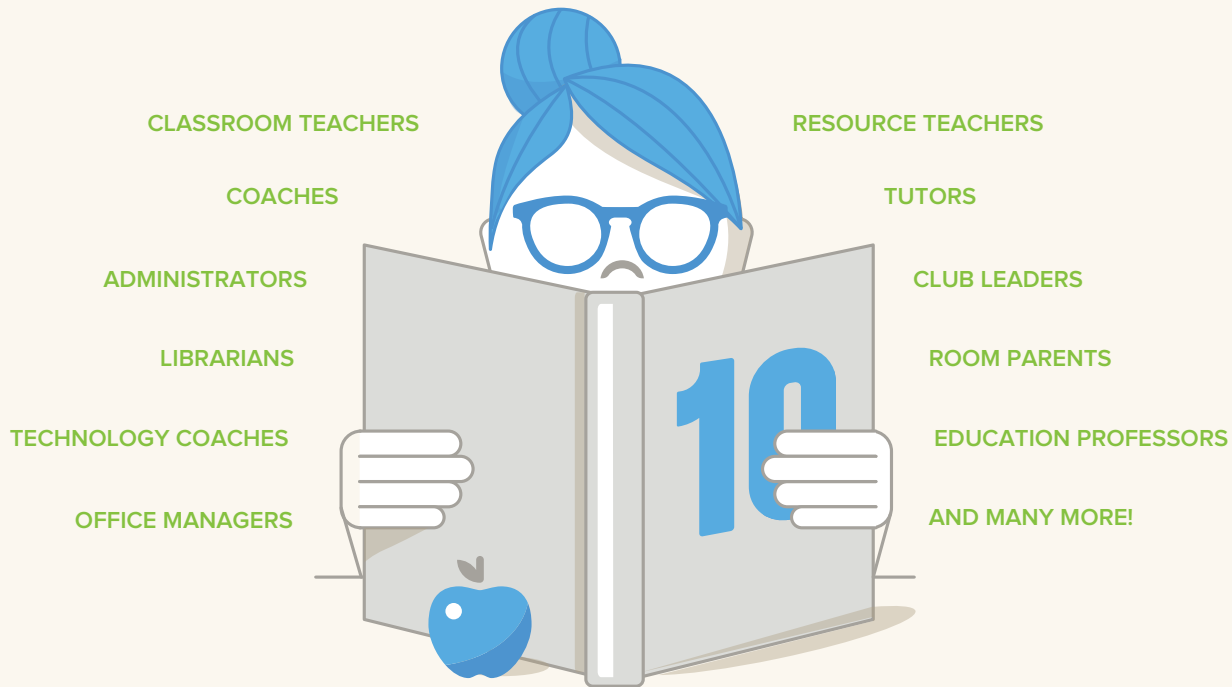

## Path to an expert communicator

# Remind works school-wide

Educators and school community members who use Remind

“Every child deserves a champion: an adult who will never give up on them, who understands the power of connection and insists they become the best they can possibly be.”

— Rita Pierson, Educator
